

We're writing to kindly ask you to spread the word about the pilgrimage we're organizing to commemorate the 50th anniversary of the CLC in Portugal.

Following our presence in Amiens and at the European Assembly in Malta, we believe that challenging each other to visit and get to know our own national communities is a good way of strengthening ties and becoming one body.

So we would ask you to send out the challenge to all European communities to join us on this pilgrimage to Fatima.

From the 19th to the 21st of June 2025 a group of one hundred CLC members from Portugal and all over the world will follow a spiritual journey where we will have time to pray in silence, to share like we were in a CLC meeting, to enjoy God's creation and to celebrate the past and the present of CLC in Portugal.

The value charged for this pilgrimage will cover food, accommodation and luggage carrying so you can fully enjoy this celebration.

To secure your participation please fill in this pre-registration form as soon as possible.
